

## The Crossover Mystery

David Flanders wants a little terror in his life. So he is ready for a break from the humdrum rigors of his ninth grade honors classes. Spending Spring vacation at the familys cottage on Long Island Sound seems the perfect solution, especially after David meets spunky Jessie Nordvig. But the idyllic days end suddenly when David and Jessie spot a gnarled sea captain dragging a body down to the waters edge. Here is all the terror David Flanders wants--and more, much more!
