

# The New Ladies Tickler: or; Adventures of Lady Lovesport and Audacious Harry

Mr Everard likes nothing more than playing voyeur to Lady Lovesports sessions birching plump ripe posteriors. And so too does young Emily as with each viewing she witnesses acts more lascivious than the next. Yearning for the kind of orgasmic release that comes over the ones she sees taken by the rod, Emily slips deeper into the debauchery surrounding her. And with her friend, fellow conspirator and victim of chastisement Harry, she will partake in all manner of libidinous deed and device to the dizzying heights of sexual abandon. From the pen of Edward Sellon, author of the notoriously deviant *The New Epicurean*, this tale of fun and flagellation, told in deliciously graphic prose is a must for any fan of Victorian and discipline erotica.
