

The lonely travellers diary

The lonely travellers diary is the story of a man trying to escape his midlife crisis by travelling across Europe. He visits Italy, Albania, Macedonia, Greece and Turkey, looking for lost treasures, love and lust, finding freedom, fine food and great wine. Read about Indiana Jones daughters, the loss of language, politicians and thieves. Amaze yourself reading about Tirana street style, a black Vespa and Neapolitan courting rituals. You are sure to find yourself packing, wanting to follow his footsteps.
