

The Sacred Magic of Abramelin the Mage: Books 1,2, and 3

The Book of Abramelin tells the story of an Egyptian mage named Abramelin, or Abra-Melin, who taught a system of magic to Abraham of Worms, a German Jew presumed to have lived from c.1362 - c.1458. The system of magic from this book regained popularity in the 19th and 20th centuries due to the efforts of Mathers translation, The Book of the Sacred Magic of Abramelin the Mage, its import within the Hermetic Order of the Golden Dawn, and later within the mystical system of Thelema (created in 1904 by Aleister Crowley). This edition combined edition contains books 1,2, and 3.
