

THE SHIFTERS MESSAGE: THE FIRST SHIFTER MESSAGE CLIENT

WARNING: There are depictions of hardcore sexual activity involving shifters, paranormal activity, and interracial scenes. Strictly for 18+ readers. Jessica ran track in college, and retains that fit figure. Shes an anthropologist in Africa, and while there she discovers a group that worship a sacred cat. After an encounter with their god she loses her religion, and happily joins the cat cult. EXCERPT.. Deeper the better Shed heard it all in her line of work, but he sounded straight. She got his credit card data, and then got his contact information. At the Brryanston Hotel, he was in room 512. She knocked once, and he let her in. He was in a shirt and slacks. Hi, Im Angela Call me David, wheres your table ? Right here Put it over by the lamp. I need to ask you a favor Shed heard it all by this time. She stood tense, waiting for something silly to come out of his mouth. Tell me about yourself. Why do you do massages ? Whats that got to do with you ? Whats this favor you want ? Well Ill be straight. I dont need a massage. I need to release some tension. Massages do that, you know. You know what Im saying. I think youre hot. But I need to fuck. Thats not my problem. Im a professional massage therapist. Well, why dont we make it a bet. I pay upfront anyway. \$500. You get naked. Stop me anytime you want. If we end up fucking you give me that massage anyway. She needed the money, but he could be police. Or worse. It was a lot of money. As she spoke he counted the money out and put it on the bed side table. IT was a lot of money. (Interracial, shifters, paranormal, rough, breeding)
