

Enter The Valley: UFOs, Religious Miracles, Cattle Mutilation, and Other Unexplained Phenomena in the San Luis Valley

Renowned UFOlogist Christopher OBrien blew the lid off the San Luis Valley--now he takes you even deeper into the worlds most mysterious locale. The picturesque patch of land that stretches from Southern Colorado into Northern New Mexico, known as the San Luis Valley, has been home to some of the most astounding occurrences in North American history. More strange sightings have been reported within the SLVs radius than in any other part of the country. Shrouded in mystery, a brave few have dared to explore the vast territory--Christopher OBrien is one of those people. He first took us there in his classic work, *The Mysterious Valley*. Now he returns with even more astonishing stories, fascinating folklore, and probing insight than ever. Enter The Valley and youll discover:-UFOs--an in-depth investigation of these SLV incidents--Cattle mutilations--numerous examples of this bizarre occurrence, and shocking theories about why it happens--Local folklore--the Colorado Cannibal, a race of underground dwellers, Americas first serial killers, gnomes, Bigfoot, and more--Covert military activity and underground bases--what is the government trying to hide?--And much, much more!
