

Image Optimization: Self-promotion strategy

There was a young man, he have a bright and cheerful disposition, and also has the ability to work. By rights, he should have very good development opportunities, but he worked for three years, didnt get any rewards and promotion, not even the companys training chance won. The reason is that colleagues and department heads all dont like him, even started to value his predecessors are no longer willing to work together with him. If for you, what should you do?
