

The Dream

Barely conscious of her everyday life, Cecilia gets by doing what any other teenager does, hanging with friends, doing homework, and reading, but strange daydreams push her into wondering if there is more to life. One day, the mysterious school librarian suggests a new book to her that will forever change her life. On her seventeenth birthday, Cecilia travels to an unknown and enchanting place: Korenbadela, the place of her dreams. There she encounters unusual creatures, new friends, and a mysteriously charming young man named Taredon. Sadly, this wonderful place wont last unless Cecilia retrieves the ingredients to create a solution that can help her stay. On the journey, Taredon accompanies Cecilia and they encounter many exciting and even slightly dangerous challenges. However, Korenbadela isnt as wonderful as it seems. Taredon has a secret he desperately wants to keep hidden and something, or someone, is lurking in the darkness watching Cecílias every move. But then again, nothing can harm you in your dreams . . . can it?
