

# Aunt Mollys Transition: Seeing Death in a New Light

Your eyes may fill with tears as the eyes of a child look at you with a quizzical look. How do you explain the word death to young children? This comforting and informative book guides children between 9 - 12 yrs, parents, and consolors during this sensitive time. This is a coloring/interactive book, including a meaningful story with questions to answer, activities, and pages to color. If this book has lessened your fears, has answered confusing questions, or has brought comfort to your heart, then I have accomplished my wish.
