

Massaged by the Flatmate (Nerds in Love Book 3)

Olly's still thinking about his hot Russian flatmate Natasha. Little did he know that she's a skilled massage therapist. It would be rude not to accept a full body massage when she offers to relax him one sleepless night. But is it just the kinks in Olly's back that Natasha is looking to work out, or does she have more than deep penetrating massage on her mind? Olly has unfinished business with his beautiful curvy flatmate, and he can't wait to close the deal! The third instalment in the eagerly-anticipated Nerds in Love series.
