

Uncharted Love

After seeing her mother murdered right before her very eyes, little Roxanne Walker is left to fend for herself and her younger sister Audrey at the tender age of 9. Now 7 years after running away from the group home Roxanne is at the top of her game ruling LAs fashion industry, shes gone places and met people shed only ever dreamed of while raising Audrey to be no less than a stellar student making her proud at every turn. Theyd come along way from those two homeless girls on the street. In this story of tragedy and triumph, they learn that hard times dont last always.... Or so they say. Malik Hall, founder of Hall Enterprises by day, playboy by night. There hasnt been a woman yet that he couldnt have. That is until the night he crosses paths with Roxanne who seems to be an exception to every rule he plays by. Now with his heart on his sleeve will his scandalous past come back to haunt him or will love conquer all? Find out in Uncharted Love!
