

Aliens Among Us

Best-selling author Ruth Montgomery, now offers dramatic new evidence of the extraterrestrial aliens who are already among us and how they will guide us through the New Age about to dawn at the end of this century. In these pages, you will learn: The secrets of real men and women (including a U.S. president) who have encountered aliens; the secrets of the psychic power centers both on the earth--and beyond it; the secrets about UFO phenomena our government has covered up for decades; and more.
