

Based on conversations he had with his mother—a single mom who raised her son to dream big—Dr. Clarence Lee's debut book, *Well, My Mom Says ...*, shares personal stories of his journey from the inner city to medical school. Originally from Kansas City, Missouri, Dr. Lee walks the reader through moves to Atlanta, Memphis, San Antonio, and Philadelphia while sharing lessons learned along the way. In *Well, My Mom Says ...*, he delivers stories of triumph over trials through racial discrimination, failures in academics, divorce, and a near death experience at gunpoint. Each chapter focuses on a deep belief in positive psychology and teaches the reader to draw strength from their personal story during tough times. As a Christian, Dr. Lee shares his faith as the cornerstone of every truth he discovered in his life. With persistence, faith, and action, Dr. Lee believes we were all capable of living our dreams.

Semiconductor Measurements: Laboratory Operations Manual, Dependent Convergence: The Struggle to Control Petrochemical Hazards in Brazil and the United States (Work, Health and Environment Series), What Are We to Do?: Living the Sermon on the Mount, Matinee Masquerade (Victorian Passions), The Wrong Box: The Ebb Tide, Beyond The Ordinary: A collection of true and strange experiences.,
