

The SPIRIT: Your Power To THINK (MIND in MOTION)

SPIRIT is your ability to THINK. This is why you are not an animal; neither are you a plant! But what is the difference, really? Both animals and plants have life. Surely you can see the difference between you and them. But I can assure you that there are out there humans for whom there is no difference; may be just little. The wider the margin, the more advanced the human being is. I am very certain that by comparison, you cannot place on the same level, one who lives and breathes in the same room with goats and sheep, and one who lives in a mansion even though the one living in a mansion may also own thousands of goats and sheep. The wilder it gets, the wider the margin, if you take a look at one who lives out rightly in the forest with the wild ones, not quite unlike Tarzan, hey? There are all kinds of Spirit in our existence. There is the SPIRIT that comes with lying we are all familiar with that. There is of course the SPIRIT of TRUTH. Now comes the contention. How much of TRUTH is TRUTH? (See The TRUTH, by the same author). Mans ability to THINK is a natural gift from The Creator. If Thinking isnt important, why do we have it? How much of this fact you recognize, and apply, determines your character. You would be surprised how very few are willing to apply this gift of THOUGHT for maximum impact. Yet you hear complains of lack, poverty and unequal opportunities, and blaming this and blaming that for our total inadequacies. This is much easier it may appear. The TRUTH is that it requires the same effort to think positive as well as think negative. The SPIRIT exposes you to your inherent Power to change your life for the better. Next in this series of MIND in MOTION is The MIND. Theres more to life.
