

Who I Did on My Summer Vacation

Tammys husband intended to take them on a weeks vacation at the beach but at the last minute, his boss scheduled him to work. Being a good husband, he allowed his wife to go on the vacation alone, or so he thought. Tammy had to tell someone about it, and her friend Elizabeth was whom she turned to. I had an affair, she said. You didnt! gasped Elizabeth. Well, its out now, thought Tammy, as she took another sip from her Chablis. Elizabeth waved at their server to order another round of drinks and once the order had been placed, she turned back to Tammy and said, Okay, I need to hear all the details. Start from the very beginning, and dont leave out a single juicy tidbit either dammit!
