

Hypnotism and Spiritism: A Critical and Medical Study (Classic Reprint)

Excerpt from Hypnotism and Spiritism: A Critical and Medical Study But there are very few who are in a position or who have time to grasp fully all the facts of the case. There are many people, even among the cultured, to whom hypnotism and spiritism are one and the same thing, or very nearly so, or who confuse the facts exclusively the property of the one with those that belong to the other, or who attribute to the one the nature and the character of the other. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
