

## Why My Heart Still Skips a Beat, 2E: 100 Reasons

Why I Loved You Then-Why I Still Love You Now We all search for the person who will complete us, the one who will fill our hearts with joy. Once we find this person, falling in love is easy-but staying in love requires effort and commitment. In this book, New York Times bestselling author Gregory E. Lang gives couples 100 ways to say, After all these years, these are a few of the many reasons why I'll love you forever. You understand things about me that others have never been able to figure out. I always receive more from you than I have asked for. Our times together have been the best times of my life. Why My Heart Still Skips a Beat is the perfect gift for couples ranging from newlyweds to those celebrating their 50th anniversary-any pair whose love is timeless. Gregory E. Lang is the New York Times bestselling author of Why A Daughter Needs a Dad, Why a Son Needs a Mom, Why I Love You, and Play Foolsie Under the Table.
