

Examine dispute settlement decisions of the World Trade Organization (WTO) with the aid of extensive annotations, in-depth analysis, and comprehensive summaries of case histories. The extensive index in each volume enables access to particular topics. Legal precedents and conclusions are detailed in the legal annotations and conclusions sections. Find case and treaty citations in one of two tables and gather current information on the overall status of all disputes before the WTO in one of two dispute settlement update tables. Discover current interpretations of the various treaties that govern international trade law with the full text decisions. Retrieve information more quickly and thoroughly with this first-of-its-kind series.
