

Vivid and psychologically brilliant. This spirited novel enriches the imagination. -Times Literary Supplement, UK Young Elizabeth Tudor lives in the shadow of her infamous mother, Anne Boleyn. Declared a bastard and banished from her fathers court, young princess Elizabeth has become adept at dodging the constant political games and royal whims that ensure her situation is never secure. After Henry VIII's death, Elizabeth is taken in by the king's last wife, Katherine Parr, and Katherine's new husband, Tom Seymour. But handsome Tom is playing for higher stakes. Marrying a widowed queen is one thing, but courting the King's daughter and second in line to the throne is another. Seymour pursues the adolescent Elizabeth, as she finds herself dangerously attracted to him. And with her brother's death, Elizabeth faces a perilous and uncertain future with danger encroaching from all sides... I doubt if anyone could create more perfectly than Miss Irwin the illusion of a vanished age. -Observer Margaret Irwin's books have an unsurpassed colour and gusto. -Times What readers are saying: One of the best-written and most evocative historical novels ever. I adored this book from start to finish. Her prose is beautiful, perfect, and strangely evocative. (20100215)
