

Excerpt from The Prison of Weltevreden: And a Glance at the East Indian Archipelago In the treatment truth has been adhered to, but not in the naked form of daily occurrence. Events of like character are grouped together; and only those are introduced, which illustrate some point of view in the Glance that is presented. The romantic beauty and poetic life of Indian isles is arrayed in the vesture of Eastern story; whilst the graver facts of the countrys resources, and of European influence and dominion, are set forth in more sober garb.
